Our School Needs You!

Friends of Little Gaddesden School - Information

As many of you are aware, the 'Friends of Little Gaddesden School' plays a fundamental role in the way the school is funded and an integral part of school life. All your children benefit from the money raised and hopefully we all have some fun at the many events organised throughout the year.

The Friends Committee is having a few changes in the coming months as I step down as The Chair, to allow someone else to take up this important and exciting role. If you are interested in playing a part please do speak to myself, or any of the committee members (details below).

The school is always very grateful and dependant on the generosity of The Friends as it is one of the real strengths of our school. The Friends raise a significant amount of money each year, organising interesting and fun events, not only for the school children and parents, but quite often for the local community as well.

If you would like to know more, please do attend the next Friends meeting, which will be a very informal gathering at the **Bridgewater Arms in Little Gaddesden, on Tuesday 31st at 8.00pm**. It will be a great opportunity to learn more about the Friends; what they do and what the money gets spent on. You may not wish to get involved in one of the fundraising events directly but there are always ways to help out – some people are happy making a donation each term as they do not have the time to commit to events, some people offer to help at specific events only – whatever suits you. Every offer is gratefully received!

For those of you who are interested, below is some more detailed information on what the Friends have financially contributed to in the past and the constitution of the Charity.

Yours sincerely

Anna Stevenson
