Head Bump Letters

We have in the past, sent home "Head Bump Letters" if your child has had an accident in school. We have also given children stickers to inform others that they have bumped their head. However, we are aware that these letters do not always find their way home and have decided that in future, we will send an "e-card" via School Comms, to let you know that your child has had an accident. We will continue to use the stickers so that all members of staff are aware if a child has had an accident and contact parents immediately, if we believe their child needs to be sent home.

Message from "The Friends"

Many thanks to everyone that attended the "Friends" Meeting on Tuesday evening. We are delighted to let you know that Helen Emms has been elected as our new Chairperson. We would like to thank Anna Stevenson for all her hard work as Chair over the last few years. We wish Helen every success. We had a good discussion on future events and will provide an update with dates for your diaries shortly.

Yours sincerely
