Children in School Unattended

Following our Safeguarding Audit, we have been advised that unless there is a formal arrangement with a member of staff or a child has been signed-up for a before-school club, children should not be in school before 08.50a.m. This includes siblings of children attending intervention lessons. This also applies at the end of the school day.

Class 3 Intervention

Class 3 Interventions will begin the week after next i.e. week commencing 1st May. Information about groups and which days interventions will be on, will be sent out next week.

Payments Class 4 Isle of Wight

Please ensure all final payments are with the school office next week. If you are not sure if you have anything outstanding, please ask Lynne. The PowerPoint presentation from this morning will be on the website early next week.

SAT's Week

Children are externally assessed at the end of year 2 and year 6. This information is kept on their records for their school career. For this reason, it is particularly important that children are not only in school on these days, but rested and ready to do their best.
