Spring Term 2019
Class 1-Reception

Class 1

If you have concerns or questions please see a member of the Reception team at the beginning or end of the day.

This term we will be learning.....

Literacy

Last term, we covered all the alphabet phonemes (sounds). We will now move onto two graphemes (letters) making one phoneme like ch, th, oo etc We aim to cover 2 sounds and a common exception word (tricky word) each week, these will be sent home with the children for you to reinforce. Using the Sounds-Write programme, your child will start to read and write cursively, working towards sentences and stories!

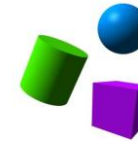

Reading

The children will continue with Guided Reading sessions on a weekly basis where we read as a group and discuss what we've read. They will also be encouraged to take a reading book daily. Please share this book EVERY day and write in their reading record. Thank you.

Mathematics

In Maths this term, Class 1 will be moving on to manipulating numbers up to 20 and investigating place value as well as exploring shape, space and measures including naming and discussing 2 and 3D shapes, capacity and length.

Topic

For the first half term, we will be learning about 'All kinds of Bears'.

After half term, we will move on to thinking about Spring and Easter when we hope to include a visit to a local farm.
