

Choose an animal and create a picture of it. You can decide whether to paint, draw or make a collage.

Read some food poems and choose one that you really like. Practise reading it so that you can share it with the rest of the class. If it's not too long, can you learn it off by heart?

Draw and label a picture of your home. Include as many details as you can.

Research some facts about an animal of your choice.
For example; which country do they live in? What
type of habitat do they prefer? What do they eat?
