Inter Village Sports – Next Friday 3rd July

Thank you to everyone who has offered to help at this event. We have had a great response and it looks like it will be a really good, fun event. Those of you making cakes please bring them in on the day, either in the morning at drop off or directly to the sports pavilion later in the day. We are planning to start the event directly after school at 3.30pm, with the stalls, BBQ, café all opening at this time. Being a whole school event we are hoping that everyone will come over and join in the fun!

Hopefully we have contacted all of you who have volunteered to help to allocate specific 'jobs', however if we haven't yet spoken to you please do grab me in the playground and we can sort something out. (Anna Stevenson, Ben yr1, Oliver yr 4).

Summer Raffle

The Raffle will be drawn at the end of the Inter village event, so please ensure all your sold ticket stubs and money is returned to the office by the end of Thursday 2nd.
