School Reports

You will receive your child's report tomorrow (Friday 10th July) and I would like to bring to your attention the following points.

Our Attendance Officer contacts us regularly to check through our registers and to discuss any child whose attendance is under 94% for the current academic year. Any attendance under 92% is termed as "poor" but there are sometimes very good reasons for this. Any attendance over 96% is termed as "good".

Yours sincerely
