

LITTLE GADDESSEN CHURCH OF ENGLAND PRIMARY SCHOOL

FROM THE CHAIRMAN OF GOVERNORS

June 7th, 2017.

Dear Parents,

The diagram below sets out the school's spending pattern for 2016/2017. Our budget for 2017/18 has again been set within proper limits, after much hard work by Charis Geoghegan and by Phil Heaphy (who chairs our Finance committee), with valuable assistance from the County financial adviser.

You may be aware that many schools have not been finding it easy to balance their budgets, but I am pleased to say that we remain confident about our financial security for the next few years.

This comparatively healthy situation owes much to those who help to encourage and maintain our stability. We remain particularly grateful to the Friends of Little Gaddesden School, whose fund-raising efforts do so much to ensure the smooth running of the school.

Yours sincerely,

Nick Crispin.
