Olympic Athlete

We are lucky enough to have had Toby Garbett, member of the British Olympic Rowing team from 2004, in school to work with the children today. He is a really inspirational speaker and will be coming back again on **Friday 12th September at 9.00am** to run a workshop for parents and children so do put this date in your diary.

Lunches

Please ensure all outstanding lunch monies are paid by Monday 17th July. After this time, all outstanding debts will be passed to Herts County to recover.

Message from "The Friends"

Soapbox Derby - As you know the Summer Fete is looming and entries are coming in fast for the Soapbox go-kart races. Please can I remind you to enter by **tomorrow, Friday 9th June**: the cart doesn't need to be finished until the day but we need to get an idea of numbers so we can schedule the races and decide the start time for that activity.

Flag Competition - If you haven't entered the flag competition yet, there is still time to do so. The cost of entry is £1 and flags need to be designed before the Summer Fete so that we can display them on the day. Prizes will be awarded to the best flags.

Tea Towels - Remember to collect your gift tea-towels from your year reps. They are fabulous and a beautiful memento and at £3.50 each, a real bargain.

Yours sincerely

Charis Geoghegan
