28th February 2018

Dear Parents,

Class 4 Bikeability training - week beginning 12th March 2018

We have organised a Level 1 and Level 2 cycling proficiency course for the week beginning 12th March for the children in Class 4.

- The children will need to bring their road-worthy bikes into school for the whole week and will participate in sessions on Monday - Friday.
- The course will be a combined level 1 skills and level 2 on-road.
- Children will need cycles and helmets each day, along with coats and gloves if it is wet or cold.
- Each trainee will receive a certificate and badge for the level that they have achieved.
- The cost of the course is £25 per child (this is subsidised by funding from central government).

Please sign the form below and send into the school office, along with your payment by Friday 2nd March.

Yours sincerely

Miss Martindale & Mrs Miles
