2nd May 2018

Dear Parents,

'Never too late' Daily Mile Campaign

As you know we have been participating in the Daily Mile for over a year now and have really noticed the benefits to the children's health and fitness. Now, we're inviting family members and friends of the school to join us for a 'Daily Mile for all ages' event to launch a new Herts campaign that encourages older adults to get more active. Whether it's a grandparent, aunt, uncle, family friend, neighbour or just a known local supporter of the school, we would love it if you could please encourage them to come along, have fun with the children and get active!

We are running this event on Friday 25th May at 2.30pm and have provided a tear off invite for the children to fill in to invite a person of their choice. Please let us know if they reply to say they will be attending so that we have an idea of numbers on the day.

Yours sincerely

Mrs Miles
