

Little Gaddesden C of E Primary School

Headteacher: Lorna Elkes

Newsletter 1st October 2020

Dear parents and carers,

As we now head into Autumn, the children are making the most of the space outside. Please make sure they have coats with them every day.

Class 1

Our new pupils have settled amazingly well to their first full week of learning. They have...

- Explored the outdoor mud kitchen,
- Been on an outing as part of our schooling in the woods,
- Demonstrated excellent teamwork,
- Made friends with Mr Nibbles,
- Rehearsed writing skills,
- Experimenting with balance,

Quick reminder, if you haven't already, please send in your photo for the Class 1 wall and snack money.

Class 3

As part of their science focus, Class 3 have been investing rocks, using their observation skills. By looking at the different properties of rocks, they are starting to identify a range of rock types.

Google permissions for Year 3

Thank you for all the permissions slips we have had so far, could you please complete and return to the school office so that we can set up the Year 3 Google accounts. Please ensure that you put your child's name on the form too.

Second hand uniform.

The friends will soon be arranging a sale of second hand uniform.

Class 4

I am delighted to welcome Mrs Brine and Mrs Gervaise-Jones who will be teaching in Class 4 whilst Mrs Patel, who is expecting, is supporting the team from home. They bring with them a wealth of experience.

Wishing you all a lovely weekend.

Lorna Elkes
