

HARVEST HIGH NEEDS LIST

We have been overwhelmed by the food donations we have received thanks to the generosity of our community. As such, our current stock levels are high, leaving very little extra storage. **However, we still need your help...**

The pandemic has hit us hard financially and to help stop the spread of Covid, we'd prefer a financial donation towards our Harvest Collection where possible please.

By making a donation, you can help towards the preparation and distribution of food parcels to struggling local families who are relying on a Foodbank to see them through the next three days.

Ways to donate:

- Text **DENSHARVEST** followed by your donation amount to **70085**
(eg DENSHARVEST 5 to donate £5) Texts cost donation amount plus standard message rate
- Or visit **dens.org.uk/donate** or send a cheque payable to **DENS**

To help keep everyone safe and stop the spread of Covid, we'd prefer a financial donation towards our Harvest Collections however, any of the following items will be gratefully received, thank you.
