### **Chromebooks**

I am delighted to let you know that we have just taken delivery of our new chromebooks which once connected to our system will be used by the children to support their learning. A huge thank you to the Friends for their fundraising which has enabled us to purchase them.

### **Class 4 - Year 6 parents**

You should have received details about secondary transfer via email today. Please let the office know if you have not received them.

### **Parking**

Can I please remind you that you should *not* park directly in front of the school, this space is reserved for school staff. The emergency access space, marked with yellow hashing must be kept clear at all times as this is the only way emergency vehicles can access the school if needed.

### **Contact details**

If your contact details have changed over the summer holidays, please make sure that the office has your up-to-date information. Could you please also ensure that we hold at least two contact numbers for your child.

Wishing you all an enjoyable weekend.
