- Hands on session - Wednesday 9th March 2.30pm
- Red Nose Day - Friday 18th March
- Parent Consultations - Thursday 31st March
- School finishes for Easter - Friday 1st April at 1.30pm

Welcome to Little Gaddesden Primary School!

"...curious and creative thinkers, independent and enthusiastic
learners and confident individuals..."

Spring Term 2022 Class 1-Reception

Class 1

If you have concerns or questions please see a member of the Reception team at the beginning or end of the day.

This term we will be learning.....

Literacy

Last term, we covered all the alphabet phonemes (sounds). This term we are moving onto decoding longer words with 4 and 5 sounds (i.e. CVCC, CCVC and, CCCVC & CCVCC words) Using the Sounds-Write programme, your child will start to read and write cursively, working towards sentences and stories!

We also have a book focus on a weekly basis. This enables your child to build up a bank of stories they know very well and helps them to understand story structure as well as the differences between fiction and non-fiction texts.

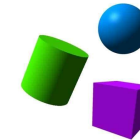

Reading

The children will be accessing guided reading sessions and some individual reading. They will also be given a reading book to take home. Please share this book EVERY day and write in their reading record. Thank you. We change the reading books on Monday, Wednesday and Friday each week.

Mathematics

In Maths this term, Class 1 will be moving on to manipulating numbers up to 20 and investigating composition and cardinality as well as exploring shape, space and measures including naming and discussing 2 and 3D shapes.

Topic

For this half term, we will be learning about 'Transport' following on from feedback on the evaluation sheets. We are thinking this may lead into 'People who help us'
