

Class 2 Meet the Teachers Autumn 2026

Class 2

Mrs Thompson - Monday, Tuesday, Wednesday

Mrs Robinson - Thursday, Friday

Mrs Pearce - Monday, Tuesday

Mrs Baess - Tuesday - Friday

Coach Lee - PE on Wednesdays

We are also fortunate to have support from other school staff at different times throughout the week, for example Mrs Stevenson on a Monday and Thursday morning and Miss Pearce hears readers after lunch.

PE: Athletics, dance and rackets, bats and balls RE: Judaism, Gospel Art/DT: Collage and structures Music: Orchestra and performance Computing: Pictograms, spreadsheets PSHE: Health and well-being

Morning routine

- Each morning the children will arrive to activities in the classroom - focusing on handwriting, fine motor skills and consolidation of any new concepts. Please try to arrive at school promptly so the children can benefit from these activities.
- Reading books
 - Y1 phonics books (come home Fridays and return the following Friday).
 - Y1 colour banded book - please read and enjoy with your child.
 - Y2 reading books - the children can change these when they are ready (quality reading over quantity).

Reminders

- Bring a water bottle every day
- Bring reading book and reading record (daily)
- School shoes - trainers for PE days only (Weds & Thurs)
- Coat - please ensure your child is prepared for all weathers
- Please make sure jumpers/coats/hats/bottles etc are named!
- Healthy snacks (there is always fruit available at breaktime)

Polite notice:

- Please do not bring anything precious into school e.g. toys

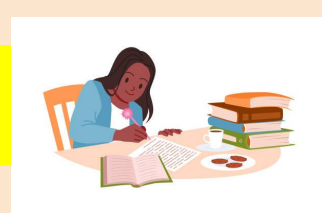

Expectations

Across the school, we have high expectations of effort, presentation, behaviour and independence.

Please try to foster independence at home, e.g. getting dressed independently, gathering belongings (a checklist can help with this).

We **celebrate our successes** through: the Golden Book, Class Dojo, the 'Wow Wall' and we are keen to share with parents in the playground or over the phone.

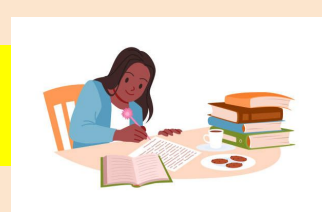

Homework

Our current expectations for pupils in Class 2:

- Reading - **Daily reading at home - please comment in your child's reading record when an adult has listened to them read.**
- Numbots practice (logins will be in your child's reading record)

How you can help at home

Keep reading together

- Listen to your child read regularly to develop accuracy, expression and fluency.
- Continue reading to your child so they can enjoy books that may be too challenging to read independently and increase their breadth of experiences.
- Discuss unfamiliar vocabulary, different types of text and what is happening beneath the surface.
- Ask questions such as:
 - *Why did the character do that?*
 - *What might happen next? What makes you think that?*
 - *Why did the author use that word?*

Online Safety

In Class 2 we use the chromebooks to access educational games and activities, such as Purple Mash. The children are reminded that this is for educational purposes and the computers should be used responsibly. We teach computer and internet safety within our computing and PSHE lessons.

Please remember that age restrictions on social media platforms are there to protect you.

The children in Class 2 do not meet the minimum age requirements for social networking sites such as Youtube, Instagram, Snapchat, Tik Tok etc. Please monitor your children's internet usage to ensure that they are safe.

After School

If a child is not attending an extracurricular club or CASCADE but they are expected to be, **please ensure that either the office or CASCADE staff know in advance.**

If your child cannot complete PE or must stay in at break due to an injury/illness, please inform the office and let us know how long this will be for.

Trips and excursions

We will be organising Class Trips for each term as soon as possible. These will include visitors to school as well as off site excursions.

Please keep a eye out - we will update the school calendar soon.

How to contact us

We are keen to keep an open line of communication with every parent and will ensure we respond as soon as we are able.

If it is a quick update, please let the staff on the gate know or catch us at the end of the day.

For topics that require more time, please do email the school office and they will relay your message to us. This is also the channel we will use to email you.
